

Dayton Boat Club Scholarships

The Dayton Boat Club has Scholarship funds available for the Juniors Spring 2017 rowing season. Scholarships are based on multiple factors. Those interested are encouraged to apply with a two to three paragraph explanation of what DBC has or could mean to them. Further how they or their parents would volunteer for the advancement of the program, and if the scholarship would significantly impact the rower's family. The primary donor is very interested in the special relationship between the Juniors and Masters programs. Any ideas to further that relationship, and willingness to implement them, may impact the award.

Your application will consist of:

1. A cover page with your name and contact information. On this cover page please include:
 - a. Your Phone Number
 - b. Your email address
 - c. Parent's/Guardians Name(s), email addresses, and phone numbers
2. A second page with your essay

The scholarships are awarded in an application-blind process, with only the DBC Treasurer having applicant information. The applicant name will not be known to anyone except the Treasurer, and the recipients will not be made public.

Recipients and their families are required to not divulge an award as a condition of the scholarship.

The awards do not exceed 50% of the season's fees. Current funding may support five or more rowers.

Applications will be evaluated on a rolling basis, with the first award(s) made by 30 January 2017. Please send your application to:
